A positive school culture ensures that students feel valued and cared for, have meaningful opportunities to contribute to the school and can effectively engage with their learning. Mt Duneed Regional Primary School aims to be an effective school, engaging and inclusive, recognising and responding to the diverse needs of our students and their different learning profiles.

School Profile Statement:
Mount Duneed Regional Primary School is a semi-rural school located on top of Mount Duneed, a hill overlooking the countryside between Geelong and Torquay. It was established in 1994 as a result of the merger between Freshwater Creek, Connewarre and Mount Duneed Primary Schools.

The school has landscaped grounds offering a serene rural environment. The school population is currently 258 students who travel to school from a radius of 15 kms. Many travel by the school bus which services the areas of Connewarre, Mount Duneed, Freshwater Creek, Breamlea & Armstrong Creek. The number of pupils has increased over the past few years and it is expected that the school will continue to expand steadily in the future with Armstrong Creek growing nearby.

Mount Duneed Regional Primary School is committed to educational excellence and the development of a caring and stimulating environment. A culture of team planning and teaching will continue to grow and develop throughout the school. Mount Duneed Regional Primary School is committed to offering programs that support life skills and social skills development for our PSD students and students identified as needing extra support in these areas.

Mount Duneed Regional Primary School is a You Can Do It school. It offers a safe and caring environment where students can experience success, with an emphasis on community spirit, respect for others and the environment, and a healthy and balanced lifestyle.

The school atmosphere at Mt Duneed is supportive and friendly, where a child’s education is an enjoyable experience. Mt Duneed Regional Primary School strives to be actively involved in the construction of a true learning community. An emphasis is placed on creating an inclusive, collaborative learning community that embraces academic, social, cultural and physical pursuits.

At Mt Duneed Regional Primary School we value:
- students who are actively involved in and enthusiastic about their learning, who display pride in their achievements and who take responsibility for both their learning and their behaviour.
- an attractive, stimulating, organised learning environment where students feel safe, valued and respected.
- parental support and active involvement in school life.
- staff who are enthusiastic and support the continued development of their professional skills and knowledge, thereby making the school an effective organisation.

students, parents and teachers who work as a team to optimise learning opportunities.

Purpose:
- To provide a learning environment where students are stimulated, supported, engaged and challenged to reach their full potential.

Values:
The following values are seen as essential to the life of our school and how all members of the school community should conduct themselves:
As a school we apply these values to our everyday dealings with each other and in the development of our programs and policies.

The school has an experienced, professional staff who have high expectations of themselves and students. As our school continues to grow, our staff is expanding to include both experienced staff with leadership skills combined with younger graduate teachers.

Staff members are caring and respectful of students’ needs and are committed to the development of positive relationships with all students. Students have a wide choice of secondary education opportunities upon graduation from Mt Duneed Regional Primary School.

The school enjoys the strong and active support of School Council and parents – participating in School Council sub-committees, curriculum and classroom programs, information and professional development activities, community forums and special events.

Our curriculum is broad, carefully planned, rich and varied, with a strong emphasis on essential learnings and inquiry learning across the school consistent with the Victorian Curriculum. In addition, there is a strong focus on ICT development and cybersafety integrated across the curriculum in Year 3-6. The school provides a wide variety of extracurricular activities for its students. The school Strategic Plan has focused on student learning outcomes in literacy and numeracy, enhancing engagement and wellbeing and developing ICT skills.

Personal and social learning is catered for through a wide variety of programs including Starting Right, You Can Do It, Junior School Council, Buddies, Student Leadership and the Delta Dog Program.

**Whole-school Prevention Statement:**

Mt Duneed Regional Primary School endeavours to create an environment in which every child feels happy, safe and important.

In order that children develop a sense of responsibility for their actions and an awareness of the need to care for and value the rights of others, class and school rules are developed. These are supported by clear behaviour protocols and consequences. The classroom rules are developed during the Starting Right Program at the beginning of each year and are displayed in each classroom.

By increasing each child’s self-esteem and reinforcing desirable behaviour, the need to implement strategies to modify inappropriate behaviour is reduced.

Student welfare at Mt Duneed Regional Primary School aims to provide and nurture student development academically, socially, emotionally and physically.

**Mt Duneed Regional Primary School does not tolerate bullying of any kind.**

We actively foster the existence of a ‘SAFE, FAIR AND FRIENDLY ENVIRONMENT’
And support the ideals of our school’s YOU CAN DO IT! Program.

Our clear messages displayed around the school buildings are:

“Hands Off” and
‘Be part of the solution, not the problem.’

The foundations of this program promote emotional resilience - developing student’s Confidence, Persistence, Getting Along and Organisational skills.

**Engagement & Wellbeing Goals:**

- Encourage students to be responsible for the outcome of their own actions and to accept the consequences of their behaviour.
- Promote respect, caring and positive relationships between all individuals and groups within the school community by building on the foundations of the You Can DO It! Program.
- Build a sense of belonging that promotes wellbeing and an awareness of student’s rights and responsibilities.
- Provide an environment to strengthen each student’s ability to cope with their surroundings and build resilience.
- Provide support services and programs for students at educational risk.

**Programs at Mt Duneed Regional Primary School that promote student engagement, high attendance and positive behaviours.**

Shared expectations

The Mt Duneed Regional Primary School ‘Student Engagement Policy’ encourages students to be responsible for the outcome of their own actions and to accept the consequences of their own behaviour.

The following behaviours will not be tolerated:- fighting, verbal and physical abuse, answering back, disruptive behaviour and bullying of any type: verbal, physical, indirect or cyber.

The Charter of Human rights and responsibilities Act (2006) outlines a vision of human rights for all Victorians. The Charter affirms that all people are born free and equal in dignity and rights. While the charter demands equality for all, it also emphasises the value of difference. The charter requires public authorities, including government schools and their employees to act compatibly with human rights and to consider them when making decisions and delivering services. The four basic Principles include Freedom, Respect, Equality and Dignity.

With rights come responsibilities. As such, all members of the school community - School Council, Principal, Teachers, Students, Parents, Education Support Staff and Community Members have a responsibility to acknowledge the rights of others and to behave in such a way as to protect those rights for other people.
